Installation Instructions and tips for attaching the screen protector

1. Installation Requirements and Preparations

- Avoid humid or dusty environments, choose a suitable location for installation.
- Ensure the screen is turned on and all connections are secure.
- Clean the screen thoroughly using a soft, dry cloth.
- Avoid touching the screen with bare hands or using sharp objects.

2. Package Contents

- Screen protector
- Microfiber cloth
- ESD bag
- This instruction manual

3. Installation Instructions

1. Confirm that the screen protector is the correct size for your device.
2. Place the screen protector on the screen, ensuring it is level and straight.
3. Gently press the screen protector onto the screen, ensuring it is securely attached.
4. Vibration or dust may cause the screen protector to loosen, so ensure it is fully secured.
5. Keep the screen protector clean and free from scratches.

4. Mode of Use

1. Slide the screen protector into place on the screen.
2. Press firmly to ensure it is securely attached.
3. Check the screen protector is fully attached and secure.
