### WARNING

1. **Read the instructions** before use. Keep these instructions for future reference. Do not make any adjustments or repairs unless specified explicitly in the operating instructions.
2. **Do not use** the product in areas with high humidity or in rainy conditions. Do not allow water to come into contact with the product. If water enters the product, immediately turn it off and remove the battery or power source, and then contact the manufacturer or their service center for assistance.
3. **Do not expose** the product to excessive heat or cold. Avoid storing the product in direct sunlight or near heat sources. Do not use the product in extremely cold environments.
4. **Do not use** the product with wet hands to avoid electrical hazards. Use the product with dry hands only.
