Operating Instructions

1. Installation Instructions and tips for attaching the screen protector

- Before applying the screen protector, ensure that the area to be protected is clean and free from dust, dirt, and oils.
- Align the protector with the device, ensuring that it is centered and straight.
- Carefully press the protector onto the device, starting from the center and working outward to ensure even contact.
- Avoid applying excessive pressure, as this may cause damage to the protector or the device.

2. Service and Support

If you have any questions or need assistance, please contact our support team.

- Phone: +000 123 456789
- Email: support@hama.com
- Website: www.hama.com
