Installation Instructions and tips for attaching the screen protector

1. Replacement instructions and tips for attaching the screen protector

When you replace a screen protector, always take your time and note the following instructions and tips for attaching the screen protector:

1. **Installation Instructions and Tips for Attaching the Screen Protector**

   - **Measuring and Aligning:** Measure the screen area accurately to ensure a proper fit. Align the screen protector with the screen edges to ensure a seamless attachment.
   - **Cleaning:** Clean the screen protector with a lint-free cloth and alcohol before application. Ensure the screen is free of dust and debris.
   - **Aligning:** Align the screen protector with the screen edges to ensure a seamless attachment.
   - **Securing:** Use the included adhesive strips or double-sided tape to secure the screen protector to the screen. Apply pressure to ensure a tight seal.
   - **Trimming:** Trim the screen protector edges using a precision cutter or scissors to ensure a seamless fit.

2. **Replacing the Screen Protector**

   - **Removing:** Carefully remove the old screen protector by peeling it off the screen without lifting the edges. Use a lint-free cloth to remove any adhesive residue.
   - **Cleaning:** Clean the screen and the back of the new screen protector with a lint-free cloth and alcohol. Ensure the screen is free of dust and debris.
   - **Attaching:** Follow the installation instructions for attaching the new screen protector to the screen.

3. **Maintenance and Cleaning**

   - **Cleaning:** Clean the screen protector regularly with a lint-free cloth and alcohol to keep it in good condition.
   - **Storage:** Store the screen protector in a cool, dry place away from direct sunlight to prevent damage.

4. **Troubleshooting**

   - **Alignment Issues:** If the screen protector is not aligning properly, repeat the installation process to ensure accurate alignment.
   - **Peeling:** If the screen protector begins to peel, carefully remove it and replace with a new one, following the installation instructions.

5. **Warranty Information**

   - **Coverage:** This product is covered by a limited warranty against defects in materials and workmanship for a period of 90 days from the date of purchase.
   - **Claims:** In case of a warranty claim, contact our customer support team for assistance.

6. **Service and Support**

   - **Contact:** For any inquiries or service issues, contact our customer support team via phone, email, or our online support platform.
   - **Refunds:** If you are not satisfied with the product, you may request a refund within 30 days of purchase.

7. **Additional Tips**

   - **Temperature:** Avoid applying the screen protector in extreme temperatures to prevent damage to the adhesive or the screen.
   - **Humidity:** Do not apply the screen protector in high humidity environments to prevent moisture from affecting the adhesive's effectiveness.

8. **Environmental Considerations**

   - **Recycling:** Dispose of used screen protectors properly in accordance with local environmental regulations.
   - **Disposal:** Do not dispose of screen protectors in fire, as they may contain materials that could release hazardous fumes.

By following these instructions, you can ensure a successful replacement of your screen protector, maintaining its effectiveness and prolonging its lifespan. If you encounter any issues, please contact our customer support team for assistance.
