WARNING

3. To reduce the risk of fire or electric shock, do not expose your headphones to rain or moisture.

4. Do not use headphones while driving or operating machinery, as this may lead to accidents.

5. Keep the headphones away from sources of heat or direct sunlight to prevent damage.

6. Do not attempt to disassemble the headphones. In case of issues, contact customer support for assistance.

Operating instructions

1. Unplug the headphones from the power source before cleaning or transporting them.

2. Use a soft cloth to clean the headphones. Do not use abrasive cleaning agents.

3. Keep the headphones in a cool, dry place when not in use.
